PANEL FORUM

The FLPN is delighted to bring a unique forum on all the DV perpetrator programs being offered on the Central Coast. The panel discussion will be moderated by NSW Police Northern Region DV Coordinator Sharon Wilkinson. Panellists include:

- Stephanie Bennett | Baptist Care's Men's Behaviour Change Program (MBCP) 'Facing Up'
- Lee Knight | ReINVEST | Pharmacotherapy trial program
- Peter Lear | CatholicCare | Caring Dads
- Lizette Twisleton | No To Violence | Automated Referral Program, Men's Referral Service and MBCPs

The forum will be useful to anyone who works with families affected by domestic violence on the Central Coast. For practitioners and organisations who work with men who use violence it presents an opportunity to ask questions, gain insight and increase knowledge about the options for men who perpetrate violence on the Central Coast.
