

Culturally Responsive Practice what does it mean?

Aim:

The aim of this workshop is to support services to enhance and develop their cultural capacity to best support people from Culturally & Linguistically Diverse (CALD) backgrounds living in the Shoalhaven.

This half day workshop is designed to provide participants with:

- an understanding CALD communities live in the Shoalhaven region
- understanding culturally responsive practice principles and how it benefits service delivery
- skills to actively use interpreters services
- understanding the complexities about the Refugee experience
- strategies to continue developing cross-cultural competence in your service.

Facilitators:

- Leissa Pitts, Manager, ISLHD Multicultural Health Service
- Josipa Krizanac, Manager, ISLHD Health Care Interpreter Service
- Cultural chats Panel people from Culturally and Linguistically Diverse Backgrounds
- TAFENSW Rep graduate and student – Diverse Conversations Tool.
