Pathways to Parenting

A group for parents who have children in out of home care, who would like to build stronger relationships with their children

*Care you
can trust.*

PARENTING IS ONE OF THE MOST IMPORTANT AND MOST CHALLENGING ROLES IN LIFE.

Pathways To Parenting is a specialised 8 week parenting program for parents who have children in out of home care due to child protection concerns and who want to build stronger relationships with their children.

Pathways to Parenting:

- Provides a safe place for sharing stories and experiences
- Develops supports and resources
- Deals with issues of grief and loss
- Looks at how to repair what went wrong
- Explores the parent you want to be
- Develops skills in meeting basic child developmental needs
- Develops skills in respectful communication.
